On my list to document asap.

@Salvatore Tirabassi, do we have a preferred legal entity? Client Support, LLC is typically where service tech and people shared resources sit.

Do we have a contract for this? The auditors are going to need to see it.

Good morning,

Chris Kesterson said that the amount owed to the law firms for technology is \$750,000. He also mentioned that you or Ryan may have a copy of the agreement. I would need this to see how much would need to be accrued in 2021 and how much would need to be accrued on an ongoing basis as well as the payment schedule.

Thank you,

Cameron

Okay, thank you. Do we have an agreement that I can support our accruals and see when payments should be made?

Cameron,

I just got some feedback on it. The amount is \$750,000.

It is to be paid to Fidelis - \$100k for 7 mos, \$50k for 1 month.

This is all I know so far, nothing on a start date. Sal may know that.

Chris

Good morning Chris,

Sal was explaining a situation to me where the law firms will be billing us for technology spend. Do you have the statement of work and costs on that? I would like to put an accrual on the books but don't have a start date or cost.

Thank you,

Cameron
